Dear exhibitors,

We invite you to take part at the

12th Water-Water Supply Systems-Sanitary Technologies Fair

which will be held from 20th to 24th of September at the Adriatic Fair in Budva.

The principles of sustainable development, environmental protection, rationalization of water consumption position revitalization of existing and construction of new systems for water supply, treatment and disposal of waste waters as one of the investment priorities of developing countries.

Fair platform and comparative advantages offered by this event represent an opportunity for business improvement and the achievement of good commercial results. As a unique marketing opportunity and significant communication linkage, the fair will allow you to win and secure position in the market and through media mix take strong action to improve sales in the revitalized market in the region.

12th Water-Water Supply Systems-Sanitary Technologies is a presentation opportunity for the companies operating in the field of production of equipment for hydro-technical facilities: water supply, canalization, purifying, flood and erosion protection, equipment manufacturers, devices, apparatus and instruments for control of water and wastewater quality; projects and investments in the field of water supply, drainage and wastewater treatment; municipal services and water utilities; scientific and professional organizations, universities and institutes.

Fair offer will be engirdled with symposiums, presentations, round tables, panel discussions with a task of transferring new ideas and current knowledge but also opening a possibility for creating business contacts. Within the lectures, exhibitors and associations will present new products, trends and market analysis.
